

Teddies Nursery Bracknell

Just a little note to say  
We're very sad to be leaving today  
We'll miss all the staff and the special days out  
Our dressing up and running about

From growing babies to little boys  
Teddies has taught us to share our toys  
To make good choices in what ever we do  
To help us in life through and through

To be very kind and make good friends  
And when we fight to make amends  
To share our laughter along with our tears  
Teddies has been our most precious years

With all our love,

The two boys, Mum, Dad and Auntie
